

Category	Electrical appliances
Product name	Electrical Power Supply Unit for Cambridge Audio DacMagic
Brand	Cambridge Audio
Product description	Separate mains AC/AC power supply unit (plug-in power supply) for 'Dacmagic' high fidelity digital to analogue audio convertor. Supplied to EU territories in black or silver finish, with either UK 3-pin or European 2-pin.
Model or type	Barcodes: 5033520408013 Silver UK, 5033520408051 Black UK, 033520408020 Silver EU, 5033520408044 Black EU.
Country of Origin	China
Picture	
Risk Type	Electric shock
Risk Description	The product poses a risk of electric shock because it can crack after a period of use and the plastic top cover may detach, potentially exposing live parts at mains voltage.
Comments	Voluntary recall from consumers by the producer.
